

Charter School rolls

Charter school enrolments as of 1 March 2026

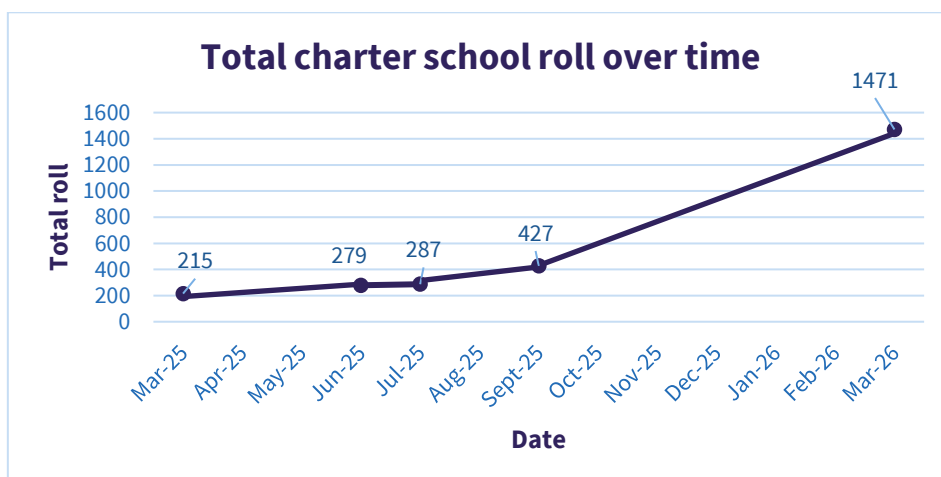

Charter school enrolments increased by 1,256 students since Term 1 2025

Total enrolments Term 1 2025 vs Term 1 2026

	March 2025 roll return	March 2026 roll return
Total enrolled students	215	1,471
Number of charter schools	7	16

Roll growth over time

Roll growth in the first year of charter schools was not linear. Most schools grew gradually at first, then accelerated.

Roll growth at 2025 schools

We publish rolls for individual schools once they have been open for a year, or earlier if a school consents to us sharing that information.

Below are the rolls for each of the schools that opened in 2025. Twin Oaks opened in Term 3 2025 so does not have a March 2025 roll.

School	March 2025	March 2026	Establishment roll*
Christchurch North College	14	52	45
École Française Internationale Auckland	4	66	60
Mastery Schools New Zealand - Arapaki	63	104	150
North West College	22	143	140
Te Rito - Te Kura Taiao	45	110	55
The BUSY School New Zealand	26	111	98
TIPENE	41	72	103
Twin Oaks Classical School	N/A	80	80
Total	215	658	651

* Establishment rolls reflect expected enrolments in 'Term 5'. Establishment rolls are used for establishment funding (a one-off payment to cover set up costs) and some funding components in the first year.

Both new state and charter schools receive establishment funding. State schools receive funding and support for up to three years.
